The **“Let’s Get Fit”** is a special no charge program offered every Thursday at 12:30 p.m. to teach you how nutrition and fitness can contribute to improved well-being and minimize your joint pain.

Program overview

- Initial consultation: How can we help you?
- Weekly 30 minute meetings
- Exercise options for people with joint pain
- Nutritional education, meal planning
- The role that BMI plays in overall health
Higher BMI is predictive of hip and knee replacement failure.¹
- Personal goal setting
- Continued support following surgery

For more information and to schedule your consultation, please call 415-209-1464 or email nchjoints@sutterhealth.org.

Please Note

Prior to starting this program, we request a medical clearance from your primary care MD.
